

# VISION

Introducing the new **Vision Bridge Saw from Matrix Machine Corp.** The **Vision** is a no mess, no nonsense, easy to use entry level bridge saw built with the same quality that has made the **Matrix** line of bridge saws so popular amongst fabricators. Ready to stop cutting by hand but think you can't afford it? Need a second saw to keep up with busy production demands? Then this is the saw for you. With its 20HP direct drive Italian sawing motor the **Vision** is ready to turn any slab into profit! Combine this with features like a rotating hydraulic tilt table and green line laser it's easy to see why the Vision is the smart choice for anyone looking for an entry level saw.

- 20HP Direct drive Italian sawing motor
- Massive 10" x 6" precision ground bridge
- Heavy duty 10' x 6' hydraulic tilt table with (6) positive stop positions and Any Angle Brake positioning lock
- Heavy Duty 12' full size gantry bridges
- Green Line Laser
- Direct Drive AC motors with variable speed fingertip controls (Up/Down, Left/Right and Forward/Reverse)
- Ammeter
- 12 month factory warranty
